Reflections - The Baby Plan

One of the most beautiful creations that He has blessed us with is the gift of our children. What a wonderful way to enter this world...so tiny, so innocent, so perfect in every way. Then how quickly these little ones grow and change, as they become beautiful children, so full of life and wonder as they explore the world around them. It is so very important to document every single stage of their development, and this is the very reason that Philip Nation Photography is now offering a simple plan that encourages you to have your child professionally photographed at the ages of 3 months, 6 months, 9 months, and 1 year...and again at 18 months and 2 years...**Reflections – The Baby Plan.**

Reflections - The Baby Plan membership is only \$55.00 and includes:

- **Framed Storyboard** with one 4x5 print from each of your four sessions during the first year. (To be delivered after 1 year session)
- A \$5.00 discount on each session fee.
- A FREE 8x10 Unit with required collection purchase from each session.
- Up to four poses per session.

You will also receive:

- **A Complimentary 11x14 Portrait** at 1 year with required purchases from the four baby plan sessions during the first year.
- **A Complimentary 11x14 Portrait** at 2 years with required purchases from at least five baby plan sessions during the two years.

Reflections – The Baby Plan encourages you to have your child's ever changing life documented in a way that provides a treasure of memories, not only for you, but also for your child...and for your family for years to come. You simply schedule your Reflections – The Baby Plan sessions at 3 months, 6 months, 9 months, and one year, and purchase any of our three collections...the Elite Collection (10 Units), the Prestige Collection (8 Units), or the Deluxe Collection (5 Units) from each session and you will receive all of the benefits of the plan including the Framed Storyboard with four 4x5s (one of your choice from each session). Of course as you continue the plan throughout the second year, you will continue to receive the discounts and benefits as we create even more precious keepsakes.
